THE SKY'S THE LIMIT FOR MTA'S CHARITY EFFORTS Bromley Law Firm raises money for St Christopher's Hospice

Since Bromley based MTA Solicitors took on St Christopher's Hospice in Sydenham as its sponsored charity in November 2008, following a company wide vote, they have raised an impressive £3600.

Their most recent fund raiser was a 12,000 ft parachute jump, which took place at Headcorn Airfield near Maidstone on Saturday 13th June. The jumpers included Emma Miller, Claire Gallagher, Ben Poole, Natalie Sterrett and Louisa Yerlett who come from various departments of the firm. This event alone raised over £2500.

The rest of the money to date has been raised through company based cake sales, dress-down days and raffles which have been really successful.

Clair Ongley, Head of Compliance at MTA and a member of the Fund Raising committee said, "It is great that the whole company is so enthusiastic about giving something back to the community and raising funds for St Christopher's.

We have had great fun with our Friday fund raising sales and the parachute jump has been a wonderful personal achievement for the people involved in addition to the serious money they have raised for the Hospice. We will continue our fund raising efforts and hope to reach our £10,000 target by the end of the year."

Claire Gallagher, Litigation Executive said, "The jump was an amazing experience and a real personal challenge. I would strongly recommend it to anyone as the feeling is out of this world. It was great a great day and fantastic to raise more cash for such a worthy charity."

MTA is also being recognised for raising the most money at the annual St Christopher's Fun Walk which took place in May.

Paul Fennelly, Senior Fundraising Manager at St Christopher's, said "I would like to thank everyone who has taken part in MTAs fundraising events. St Christopher's is very much at the heart of the community and the money makes a real difference to the quality of life of the

people we care for. On behalf of our patients, families and friends, and all the staff and volunteers at St Christopher's, a big thank you! "
